In Literacy we will be:

- Using sounds write to develop our phonetic knowledge
- Discussing books linked to our project
- Using colour semantics to build and write simple sentences

In Expressive Arts and Design, we will be:

- Drawing painting and using glitter to create fireworks
- Creating Christmas crafts
- Learning Christmas songs and rhymes
- Building with construction resources
- Getting creative in the woods

To develop our Understanding of The World, we will be:

- Observing seasonal changes as we move from autumn into winter.
- Learning about key events and celebration such as bonfire night, remembrance day and Christmas
- Using our senses in Sensology sessions.
- Investigating how electrical devices are powered
- Investigating different light sources

To develop our Communication & Language skills, we will be taking part in:

- Following instructions
- Using core boards
- Learning and using topic related
- Vocabulary
- Playing games, taking turns and interacting with peers and adults
- weekly Sensology
- Daily Makaton videos
- Discussing our topic through books

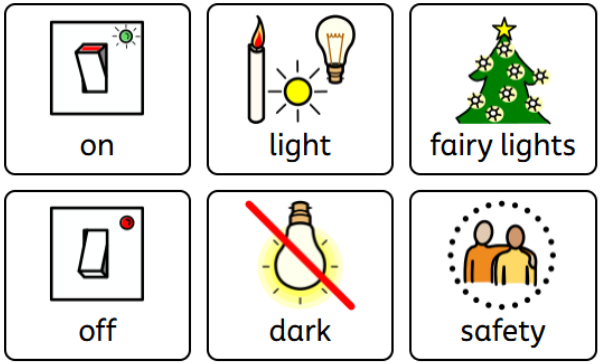

Oak Class

To build our Physical Development we will be:

- Learning how to stay safe on the play equipment
- Participating in PE focusing on different types of movement.
- Taking part in daily handwriting exercises.
- Taking part in weekly Sensory Circuits

To support our Personal, Social and Emotional Development we will be:

- Learning how to keep safe around electricity and fire.
- Communicating and interacting with others more confidently
- Developing sharing and turn-taking skills.

In Mathematics, we will be learning:

- Composition of number
- 2D shapes and their properties
- Positional language
